

## KÄRCHER HDS 6/14 C Classic

Single-phase HDS 6/14 C hot water high-pressure cleaner with ecoefficiency mode, EASY!Force trigger gun and intuitive single-button operation.

Powerful hot water high-pressure cleaner in the HDS Compact class from Kärcher: with the unique ecoefficiency mode, the HDS 6/14 C combines economical, eco-friendly cleaning with outstanding convenience for the operator.

While the EASY!Force high-pressure gun makes use of the recoil force of the high-pressure jet to reduce the holding force to zero, the EASY!Lock quick-release fasteners enable handling that is five times faster than with conventional screw connections, without losing any robustness or longevity.

The machine also offers intuitive single-button operation. Large wheels and a steering roller ensure effortless mobility, while the robust chassis with integrated tanks for fuel and cleaning agents can also easily withstand more heavy-duty use. Practical storage compartments for accessories, nozzles, etc. complete the sophisticated concept of this single-phase machine.

### Features

#### Efficiency

- ecoefficiency mode – economical and environmentally friendly, even during longer periods of use.
- Reduces fuel consumption and CO<sub>2</sub> emissions by 20%.
- Accurate cleaning agent dosing unit with clear rinse function.

#### Ease of use

- Intuitive operation with large single-button selector switch.
- Large tank opening with filling chute.
- Tanks for cleaning agent, calcification protection and fuel can be conveniently filled from outside without opening the hood.

#### Storage

- Lockable accessory compartment for nozzles, tools, etc.
- Storage hooks for power cord and high-pressure hose.
- Integrated lance fixation for easy transport.

#### Reliability

- The Soft Damping System (SDS) compensates for vibration and pressure peaks in the high-pressure system.
- Large water filter protects pump against damage.
- Water softening system to protect the heating coil against calcification.

#### Mobility

- "Jogger" design with large wheels and steering roller.
  - Large integrated handles in the chassis.
  - Integrated tilting aid for effortlessly negotiating obstacles such as steps and kerbs.
- Save energy and time: EASY!Force high-pressure gun and EASY!Lock quick-release fasteners
- At last – work without getting tired: the EASY!Force high-pressure gun.
  - EASY!Lock quick-release fasteners: durable and robust. And five times faster than screws.

### Standard Features / Accessories

Exhaust gas thermostat  
Pressure cut-off  
Fuel shortage protection  
Steam stage  
3-piston axial pump, With stainless steel pistons  
EASY!Force trigger gun & 1050 mm spray lance  
Integrated fuel and detergent tank  
Power nozzle  
Soft Damping System (SDS)  
Infinitely variable pressure and water flow regulation on the machine  
Calcification protection

Part no. 1.169-909.0

### TECHNICAL SPECIFICATIONS

Dimensions (L x W x H)	1060 x 650 x 920 mm
Power cable	5 m
Power rating	3,6 kW
Fuel tank	15 l
Pressure	30-140/3-14 bar/MPa
Flow rate	240-560 l/h
Weight	93 kg
CA tank	10 l
Current type	1/230/50 Ph/V/Hz
Max. temperature (feed 12 °C)	155 °C
Consumption fuel oil	3,5 kg/h
